

Can't You See

(Verse 1)

**When I first met you dear, it was at a dance
And when I stared at you, you smiled and gave a glance
I knew right from the start, that you were meant for me
Oh my darling can't you see how much you mean to me?
Oh my darling can't you see how much you mean to me?**

(Verse 2)

**Then on that special day, I asked if we could wed
I waited patiently, but no is what you said
I thought our love was true and it was meant to be
Oh my darling can't you see how much you mean to me?
Oh my darling can't you see how much you mean to me?**
