

How Do I Say Goodbye

Verse 1:

**How am I supposed to say goodbye, when everything inside says stay
My heart wants to be here with you. My head knows to go away
It's so hard for us to have to part, and let go of what we had
But I know deep in my heart, it's time for us to say goodbye**

Chorus:

**So I'll try to keep my head up, and never let you see me cry
It hurts so much to know you're leaving. You barely even said goodbye
It's not easy facing so much change, but I know it's best for me
I will keep your memories in my heart and never really say goodbye**

Verse 2:

**How am I supposed to say goodbye, when I'm still in love with you
The pain that's always in my heart, will never ever go away
I will try to be so strong for you, and not let my feelings show
But it's so hard for me to do, when you know I love you so**

Chorus:

**So I'll try to keep my head up, and never let you see me cry
It hurts so much to know you're leaving. You barely even said goodbye
It's not easy facing so much change, but I know it's best for me
I will keep your memories in my heart and never really say goodbye**
