

## **Not Easy To Be Alone**

### **Verse 1:**

**I feel so lonely  
I can't get away  
No one to lean on  
No one to save the day  
No it's never easy  
To be so alone  
With no one to talk to  
Or someone to call my own**

### **Chorus:**

**It's not so easy to be alone  
No matter how hard I try  
No one to come home to  
No one to catch me when I cry  
It's not so easy to be alone  
Nobody knows the way I feel  
But I have to keep moving on  
I'll make it through  
I'm learning to be strong**

### **Verse 2:**

**Gazing out my window  
But, no one there to see  
Solitude embraces me  
It's not supposed to be  
I will stand with courage  
And take it day by day  
It might take a bit of time  
But, I will find my way**

### **Chorus:**

**It's not so easy to be alone  
No matter how hard I try  
No one to come home to  
No one to catch me when I cry  
It's not so easy to be alone  
Nobody knows the way I feel  
But I have to keep moving on  
I'll make it through  
I'm learning to be strong**

### **Verse 3:**

**I'm learning how to  
Stand on my own two feet  
I'm learning how to  
Be strong and not retreat  
No one can take away  
The strength inside my heart  
I'm gonna get there  
And make a brand new start**

### **Chorus:**

**It's not so easy to be alone  
No matter how hard I try  
No one to come home to  
No one to catch me when I cry  
It's not so easy to be alone  
Nobody knows the way I feel  
But I have to keep moving on  
I'll make it through  
I'm learning to be strong**
