

Hard To Say Goodbye

Verse 1

It's so hard to say goodbye,
My heart feels so numb inside.
I feel like I can hardly move,
I'm so torn up inside.

Chorus

I don't know what to do,
'Cause saying goodbye to you
Is something I can't put into words.
I said that I'd be true
And I would only love you
I can't believe we're saying goodbye

Verse 2

There are tears in my eyes,
I don't want to accept the truth.
My heart is so broken and shattered,
Discarded like forgotten youth.

Chorus

I don't know what to do,
'Cause saying goodbye to you
Is something I can't put into words.
I said that I'd be true
And I would only love you
I can't believe we're saying goodbye

Verse 3

It's so hard to walk away,
Wishing there was a better way.
I know in the end,
I've got to say goodbye

Chorus

I don't know what to do,
'Cause saying goodbye to you
Is something I can't put into words.
I said that I'd be true
And I would only love you
I can't believe we're saying goodbye
