

When It's Time To Say Goodbye

(Verse 1)

**Sitting here, watching the sun go down
Thinking about, all the memories we've shared
I never thought this day would come so soon
But now I know it's time to say goodbye**

(Chorus)

**When it's time, to say goodbye
I'll hold on to every moment we've shared
Through the laughter and the many tears
You'll have a place, in my heart, my dear**

(Verse 2)

**We've been through, all of the ups and downs
But we always found a way to turn things around
Now we're standing here, face to face
And I can see, sadness in your gaze**

(Bridge)

**I'll miss your smile, your touch, your voice
I'll miss the way you always let me know you care
I know deep down, we're at the end
So I will cherish every memory we've made**

(Chorus)

**When it's time, to say goodbye
I'll hold on to every moment we've shared
Through the laughter and the many tears
You'll have a place, in my heart, my dear**
