

If You Think I'm Over You

(Verse 1)

If you think I'm over you
Well, you're wrong
If you think I'm not blue
Here's a song
While I think my life is through
Because I can't get over you
You should know that it's true
Yes. I'm still in love with you

(Verse 2)

If you think I'm over you
Check me out
Look on Facebook, ask my friends
Then, you won't doubt
Browsing pictures from our past
Of a love I thought would last
I love you. It's still true
And I'll never be over you

(Verse 3)

If you think I'm over you
Well, guess again
Every memory's still new
Feels like back then
In every smile and tear I see
You're still the only one for me
I love you, that's the truth
And I'll never be over you

(Verse 4)

If you think I'm over you
Think again
Every heartbeat, every view
Draws you near
Through the nights and endless days
In countless unforgotten ways
I love you, yes it's true
And I'm still not over you
