

**I Keep Making The Same Mistakes**

**(Verse 1)**

**I thought I found the way to your heart  
But every time I tried, I fell apart  
You're the love I can't replace  
But, here I am, lost in space**

**(Chorus)**

**I keep making the same mistakes  
Loving you in all the wrong ways  
I thought I'd get better and thought I could change  
But I keep making the same mistakes**

**(Verse 2)**

**We were perfect in the beginning  
But, somehow, we stopped winning  
I want to be the one you need  
But I can't stop and I can't lead**

**(Chorus)**

**I keep making the same mistakes  
Loving you in all the wrong ways  
I thought I'd get better and thought I could change  
But I keep making the same mistakes**

**(Verse 3)**

**Maybe love's a game I'll never win  
Trapped in circles, fighting from within  
I'm sorry for the pain I bring  
I wish our love could spread its wings**

**(Chorus)**

**I keep making the same mistakes  
Loving you in all the wrong ways  
I thought I'd get better and thought I could change  
But I keep making the same mistakes**
