

Missing All Our Kissing

(Verse 1)

**We had sunshine, we had moonlight
Dancing barefoot until midnight
Now I'm staring at my phone light
And wishing you were here**

(Verse 2)

**Coffee's bitter, toast is dry
Even songs don't sound quite right
Everything's a bit too quiet
Without you near**

(Chorus)

**I'll be missing all our kissing
All the moments reminiscing
Every laugh and every whisper
Nothing feels the same
I'll be missing all our kissing
And you know that I'm still wishing
You'll come back, cause I need fixing
I'm so lost without you here**

(Verse 3)

**Wrote a letter I won't send
Talking about how love won't end
Hoping maybe fate can bend
And bring you home again**

(Chorus)

**I'll be missing all our kissing
All the moments reminiscing
Every laugh and every whisper
Nothing feels the same
I'll be missing all our kissing
And you know that I'm still wishing
You'll come back, cause I need fixing
I'm so lost without you here**
