

Made For Each Other

(Verse 1)

Like silence and a locked door
Like mirrors that never reflect more
You move in sync, you speak as one
But never leave room for anyone

(Chorus)

You were made for each other
Two hearts with no room to spare
You dance through the silence together
Unbothered by who's not there
Love isn't soft, not always kind
It's yours alone, by your own design

Verse 2

Like secrets and a sealed room
Like thunder that never makes space
You laugh at those who don't play your game
Then wonder why love never calls your name

(Chorus)

You were made for each other
Two hearts with no room to spare
You dance through the silence together
Unbothered by who's not there
Love isn't soft, not always kind
It's yours alone, by your own design

Bridge

I used to think love meant opening doors
Letting the light find the cracks in the floor
But you built a house with no windows, no key
Just walls made of smiles that no one can see

(Chorus)

You were made for each other
Two hearts with no room to spare
You dance through the silence together
Unbothered by who's not there
Love isn't soft, not always kind
It's yours alone, by your own design
