Falling In Love

(Verse 1)
I think I'm falling in love
I never meant to cross that line
You laugh, and the world feels softer
But your ring says you can't be mine

(Pre-Chorus)
Coffee breaks and hallway glances
Moments that feel like chances
But I know better than to dream too loud

(Chorus)
I think I'm falling in love
With someone I can never hold
You're loyal, you're kind, you're taken
And I'm left out in the cold
It's not your fault, you can't be mine
But it still hurts every time
I think I'm falling in love
With someone who's already gone

(Verse 2)
You talk about weekend plans
And I nod like I'm okay
But inside I'm reciting
The words I'll never say

(Bridge)
If things were different, if time rewound
Would you see me, would you turn around
But I won't ask, I won't betray
I'll just love you from far away

(Final Chorus)
I think I'm falling in love
And I wish I could let it show
But you've built your life without me
And I won't let mine overflow
So I'll smile and I'll pretend
Knowing how this story ends
I think I'm falling in love
With someone I will never know
