

Buried Beneath the Tears

(Verse 1)

**She cried a little yesterday
The silence heavy, the music slipped away
She knew the day would come too soon
But the night fell hard, it dimmed the tune**

(Chorus)

**Oh Raul, your voice lingers here
A melody buried beneath the tears
From stage to stage, they followed near
A lifetime of songs they'll always hear**

(Verse 2)

**They traveled far. Loved ones by their side
To hear that magic, to feel it live
The power, the beauty, the gentle tone
A voice that made the world their own**

(Chorus)

**Oh Raul, your voice lingers here
A melody buried beneath the tears
From stage to stage, they followed near
A lifetime of songs they'll always hear**

(Bridge)

**Memories remain, with music to keep
The rhythm of love runs quiet and deep
Though sorrow sings in minor keys
Your magic lives in melodies**

(Final Chorus)

**Rest now, Raul, your song complete
But hearts still dance to your timeless beat
And whispers echo through the years
Your music shines... beneath the tears**
