

Christmas of Yesterday

(Verse 1)

**The tree filled the room, glowing so bright
Presents stacked high, a magical sight
Christmas Eve with laughter and cheer
Appetizers shared, holiday spirits near**

(Chorus)

**Oh, Christmas of yesterday
The magic still lights our way
Joy and wonder, love so true
Christmas past lives on in you**

(Verse 2)

**Crack of dawn, the children awake
Eyes wide open at the joy they'd take
Hands reaching out with gleeful surprise
Magic reflected in their eyes**

(Chorus)

**Oh, Christmas of yesterday
The magic still lights our way
Joy and wonder, love so true
Christmas past lives on in you**

(Bridge)

**Dinner with family, stories told
Warmth of tradition, worth more than gold
New toys rolling out the door
Echoes of laughter forevermore**

(Chorus)

**Oh, Christmas of yesterday
The magic still lights our way
Joy and wonder, love so true
Christmas past lives on in you**
