

Ring the Christmas Bells

(Verse 1)

**Twinkling lights are shining bright
We're singing on this snowy night
Voices rise in carols strong
Neighbors joining all along**

(Chorus)

**Ring the Christmas bells, let the joy begin
Santa's on his way with a jolly grin
Light the tree, sing loud with glee
It's Christmas time for you and me**

(Verse 2)

**Cookies baking, stockings hung
Stories told and songs are sung
Children's laughter fills the air
Christmas magic everywhere**

(Chorus)

**Ring the Christmas bells, let the joy begin
Santa's on his way with a jolly grin
Light the tree, sing loud with glee
It's Christmas time for you and me**

(Bridge)

**Snowflakes falling, hearts aglow
Santa's sleigh is on the go
With every cheer, the world feels new
Merry Christmas dreams come true**

(Chorus)

**Ring the Christmas bells, let the joy begin
Santa's on his way with a jolly grin
Light the tree, sing loud with glee
It's Christmas time for you and me**
