

## **Save Me a Hug on Christmas Eve**

### **(Verse 1)**

**The snow is falling soft on the street  
Candles are glowing, the night feels complete  
But all of the magic means nothing to me  
Without your arms where I long to be**

### **(Chorus)**

**Save me a hug on Christmas Eve  
It's been so long since you stayed with me  
All through the year, I've been missing you  
I'm hoping you feel the same way too**

### **(Verse 2)**

**I've counted the days and marked every night  
Dreaming of you in the warm firelight  
The carols are playing, the stars start to shine  
I'm waiting to know that your heart is still mine**

### **(Chorus)**

**Save me a hug on Christmas Eve  
It's been so long since you stayed with me  
All through the year, I've been missing you  
I'm hoping you feel the same way too**

### **(Bridge)**

**The sleigh bells are ringing, the laughter is near  
I'm counting the moments till you reappear  
The stockings are waiting, the lights all aglow  
Save me that hug. It's the best gift I know**

### **(Chorus)**

**Save me a hug on Christmas Eve  
It's been so long since you stayed with me  
All through the year, I've been missing you  
I'm hoping you feel the same way too**
