

Snow on Silent Streets

(Verse 1)

**Snow on silent streets, the world fast asleep
Lanterns glow where shadows keep
Footsteps echo, soft and slow
Through frosted lights, a gentle glow**

(Chorus)

**I find my peace where silence sings
In winter's hush, the stillness brings
Beauty shines where no crowds meet
Snow on silent streets**

(Verse 2)

**Windows dressed in red and gold
Stories whispered, dreams retold
Though I walk this path alone
The night feels warm, the stars have shown**

(Chorus)

**I find my peace where silence sings
In winter's hush, the stillness brings
Beauty shines where no crowds meet
Snow on silent streets**

(Bridge)

**No carols loud, no bustling cheer
Just quiet grace that draws me near
In solitude, my heart completes
Snow on silent streets**

(Final Chorus)

**I find my peace where silence sings
In winter's hush, the stillness brings
Beauty shines where no crowds meet
Snow on silent streets**
