

Hello It's Me

Verse 1:

I'd been chasing dreams
But they never came true
And I'd been lost in a world
And didn't know what to do
But then I met you
And everything changed
I found a love
I thought wouldn't fade

Chorus:

Hello, it's me
Do you remember
the good times we had?
The laughter and love we shared
Oh how I miss
the way you used to hold my hand
But I'm just a memory, a faded photograph
Hello, it's me
I hope you are well

Verse 2:

I'd been writing letters
In my mind, to you
Every word I'd say
Would make me fall in love with you
I can't help but wonder
Did you feel it too?
Was it love you felt?
It didn't last for you

Chorus:

Hello, it's me
Do you remember
the good times we had?
The laughter and love we shared
Oh how I miss
the way you used to hold my hand
But I'm just a memory, a faded photograph
Hello, it's me
I hope you are well
