

## **When It's Time To Say Goodbye**

### **(Verse 1)**

**Sitting here, watching the sun go down  
Thinking about, all the memories we've shared  
I never thought this day would come so soon  
But now I know it's time to say goodbye**

### **(Chorus)**

**When it's time, to say goodbye  
I'll hold on to every moment we've shared  
Through the laughter and the many tears  
You'll have a place, in my heart, my dear**

### **(Verse 2)**

**We've been through, all of the ups and downs  
But we always found a way to turn things around  
Now we're standing here, face to face  
And I can see, sadness in your gaze**

### **(Chorus)**

**When it's time, to say goodbye  
I'll hold on to every moment we've shared  
Through the laughter and the many tears  
You'll have a place, in my heart, my dear**

### **(Bridge )**

**I'll miss your smile, your touch, your voice  
I'll miss the way you always let me know you care  
I know deep down, we're at the end  
So I will cherish every memory we've made**

### **(Chorus)**

**When it's time, to say goodbye  
I'll hold on to every moment we've shared  
Through the laughter and the many tears  
You'll have a place, in my heart, my dear**
