

All In On This

[Verse 1]

From the moment I met you, I knew what I wanted
A life with you in it, no halfway, no caution
I saw a future forming every time you smiled
Family, us — all of it — I've known for a while

[Pre-Chorus]

But wanting you is easy
Waiting for you is hard

[Chorus]

I'm all in on this
Every hope, every kiss
I'm ready for the life we both shouldn't miss
But I need you to want it like I surely do
I'm all in on this
Tell me you're all in, too

[Verse 2]

I'm not asking for perfect, just a place to begin
A door you walk through, not one you drift past again
I've held the space for us, kept the light on inside
But I can't build a future if you're only half-tied

Chorus]

I'm all in on this
Every hope, every kiss
I'm ready for the life we both shouldn't miss
But I need you to want it like I surely do
I'm all in on this
Tell me you're all in, too

[Bridge]

I don't need promises whispered in the dark
I need the kind you keep when daylight starts

[Chorus]

I'm all in on this
Every hope, every kiss
I'm ready for the life we both shouldn't miss
But I need you to want it like I surely do
I'm all in on this
Tell me you're all in, too
