Would You Turn Away

[Verse 1]
If I said I loved you, would it catch you by surprise?
Would you feel the truth between us written in my eyes?
Would you let your guard come down, and trust what we could be?
Would you open up your heart and take that chance with me?

[Pre-Chorus]
No need to answer in a hurry,
No need to hide behind a smile.
I'll stay beside you through the questions,
We can take it mile by mile.

[Chorus]
If I told you that I love you, would you turn away?
Would you let the words sit with you, give them room to stay?
Would you take a chance and let your honest feelings show?
We can find out where this road of ours is meant to go.

[Verse 2]
If I said I loved you, would a little joy come through?
Would the room feel warmer when I'm standing close to you?
Could you let your heart be open, share the things you keep?
Could we make a promise that is gentle, strong, and deep?

[Pre-Chorus]
No need to answer in a hurry,
No need to hide behind a smile.
I'll stay beside you through the questions,
We can take it mile by mile.

[Chorus]
If I told you that I love you, would you turn away?
Would you let the words sit with you, give them room to stay?
Would you take a chance and let your honest feelings show?
We can find out where this road of ours is meant to go.

[Verse 3]
If I said I loved you, would the thought of it feel strange?
Would you trust the quiet truth, though everything could change?
We don't have to leap ahead or know how this will go;
Just give me one honest step, and let the feeling grow.

[Bridge]
When the answer takes its time,
I won't ask you to pretend.
We can meet each day with kindness,
Let the beginning be the end
Of wondering alone, of keeping every word inside;
I'm right here beside you, with nothing left to hide.

[Final Chorus]
If I told you that I love you, would you turn away?
Would you let the words sit with you, give them room to stay?
Would you take a chance and let your honest feelings show?
We can find out where this road of ours is meant to go.
